RISHIAKASH MARIMUTHU

+91-8825848216 rishiakash2205@gmail.com linkedIn github portfolio **Chennai, India**

CAREER OBJECTIVE

Final-year Computer Science student passionate about Python and full stack development, seeking an internship to apply my coding skills, build scalable web applications, and gain hands-on industry experience. Committed to continuous learning and delivering practical solutions through real-world projects

INTERNSHIP EXPERIENCE

Edify Techno Solutions - Artificial Intelligence-Machine Learning **June 2024 – July 2022**

- Built basic ML models using Python.
- Performed data cleaning and visualization.
- Applied supervised learning for simple prediction tasks.

SKILLS

Professional Skills

- Programming Languages: Python,SQL
- Web Technologies: HTML, CSS, JavaScript
- Tools: Canva, Figma and GitHub

Soft Skills

- Problem Solving
- Leadership
- Time Management

PROJECTS

Skinalyze – AI Skin Analysis System Frontend: React JS, CSS | Backend: Django REST **Ongoing-2025**

- Built an AI-driven skin analysis system detecting skin type & facial issues using custom CNN models.
- Implemented Grad-CAM heatmaps for explainable AI and built modern React interface for explainable results.
- Developed Django REST APIs for predictions & report generation, with ongoing improvements for accuracy and recommendations.

Employee Management System Frontend:HTML, CSS, JavaScript | Backend: FastAPI, PostgreSQL **April-2025**

- Developed a full-stack role-based employee & project management system with secure authentication and CRUD operations
- Built RESTful FastAPI endpoints, PostgreSQL models with SQLAlchemy, and containerized services using Docker for seamless deployment.

My Food App Frontend: React JS **JULY-2025**

- Designed an AI-powered food recommendation app using Groq AI based on user mood and location.
- Delivered a clean, responsive interface with instant links for ordering recommended meals.

CERTIFICATIONS

- Full Stack development() – NoviTech.

ACHIEVEMENTS

- Cricket - Playing Under for Thiruvarur District Cricket Association(TDCA)
- Anna University Zone - III Position

EDUCATION

Jerusalem College Of Engineering **2022-2026**
B.E(Computer Science Engineering) **- CGPA -7.5** Chennai,Tamilnadu

Laurel Higher Secondary School **2020-2022**
Higher Secondary School(State Board) -**Percentage -77.3** Thanjavur,Tamilnadu

St Antony's Higher Secondary School **2019-2020**
SSLC(State Board)-**percentage -61.4** Thiruvarur,Tamilnadu
