Chennai, India

CAREER OBJECTIVE

Computer Science Engineering graduate(2026) with a strong foundation in software development, programming, and problem-solving. Experienced in building real-world applications and AI-driven projects through academic and personal initiatives. Passionate about learning new technologies and developing scalable solutions. Seeking a Software Developer role to contribute technical expertise and grow in a dynamic organization.

INTERNSHIP EXPERIENCE

Edify Techno Solutions - Artificial Intelligence-Machine Learning

June 2024 – July 2024

- Built basic ML models using Python.
- Performed data cleaning and visualization.
- Applied supervised learning for simple prediction tasks.

SKILLS

Professional Skills

- Programming Languages: Python,SQL
- Web Technologies: HTML, CSS, JavaScript
- Tools: Canva, Figma and GitHub

Soft Skills

- Problem Solving
- Leadership
- Time Management

PROJECTS

Ongoing-2026

Skinalyze – AI Skin Analysis System Frontend: React JS, CSS | Backend: Django REST

- Built an AI-driven skin analysis system detecting skin type & facial issues using custom CNN models.
- Implemented Grad-CAM for explainable AI and built modern React interface for explainable results.
- Developed Django REST APIs for predictions & report generation, with ongoing improvements for accuracy and recommendations.

Employee Management System Frontend:HTML, CSS, JavaScript | Backend: FastAPI, PostgreSQL

April-2025

- Developed a full-stack role-based employee & project management system with secure authentication and CRUD operations
- Built RESTful FastAPI endpoints, PostgreSQL models with SQLAlchemy, and containerized services using Docker for seamless deployment.

My Food App Frontend: React JS

JULY-2025

- Designed an AI-powered food recommendation app using Groq AI based on user mood and location.
- Delivered a clean, responsive interface with instant links for ordering recommended meals.

CERTIFICATIONS

- Python Full Stack development – Qspiders

ACHIEVEMENTS

- Cricket - Playing Under for Thiruvaur District Cricket Association(TDCA)
- Anna University Zone - III Position

EDUCATION

Jerusalem College Of Engineering

B.E(Computer Science Engineering) - CGPA -7.5

2022-2026

Chennai,Tamilnadu

Laurel Higher Secondary School

Higher Secondary School(State Board) -Percentage -77.3

2020-2022

Thanjavur,Tamilnadu

St Antony's Higher Secondary School

SSLC(State Board)-percentage -61.4
